Industrial visit to Jaipur from 04-03-2017 to 07-03-2017:

The purpose of arranging the Industrial visit is to give a chance to students to give up the tradition classroom teaching technique and make them see the practical workings, operation, functions tools and machine of an industry. This helps them to understand the technicalities easily by visiting the industries personally.

For this year the visit was organized to Jaipur, the pink city of India. In all 83 students participated in this visit from the BMS and BBI Department. The visit was for one night and two days which included visits to industries like Kagzi and Saras Dairy along with sightseeing to Amer fort, Jantar Mantar, Birla Mandir and city palace.
