About J. Watumull Sadhubella Girls College

A Spiritual Leader, Visionary Figure Acharya Swami Ganeshdasji Maharaj, Founder of Sadhubella Education Society, believed that “the need of time is to nourish the student for all round development much beyond the academic excellence”. The weaker female section was neglected by society since centuries touched the heart of our beloved Acharya Swami Ganeshdasji Maharaj. He thus started education especially for girls which flourished from bottom to top. Our College is the only girl's college in Mumbai suburban areas affiliated to University of Mumbai. This step of Acharya Swami Ganeshdasji Maharaj was not only appreciated but supported from International Level.

Due to globalization and active participation of women in every field, our college came forward to start professional courses like Bachelor of Management studies, B.com, (Banking and Insurance) and M.Com in Accountancy.

The college has achieved academic excellence in a very short span of time. The students have proved themselves in academic field, sports and cultural activities.

The faculties of the college strive hard for development of the students and are of great support to them.We expect all types of support and encouragement from every corner of the society to fulfill the dreams of Acharya Swami Ganeshdasji Maharaj to bring the college on global arena.

About International Cultural Forum

International Cultural and Social Forum, India is established in 2013 under guidance of Hon.' Sheilabai Bappoo. The Forum works at International level in many countries like USA, UK, Canada, Thailand, Singapore, Malaysia, Dubai and Mauritius. The Forum is established with the aim of developing the cultural, social and individual correlation with India & the world. It aims to spread the great Indian Culture for the welfare of human being at International level.

To achieve the purpose of establishment of the Forum, we have till now conducted Nine International conferences in various countries. The present Conference is our 10th attempt through which we want interaction on Indian Culture throughout the globe.

Introduction :

The main objective of conference is to offer a platform for Researchers, Teachers, Students as well as Industrial Professionals from all over the world to present their research findings, view creative and innovative ideas. The conference provides an opportunity to all the avid delegates to exchange their ideas, applications and experiences in the different field of Science, Social Science and Management. The conference will also provide a platform for sharing of ideas and may open up possibilities of collaborative interdisciplinary research. These would provide a chance to have a fruitful interaction to establish a coherent research relation and find global partners for a beneficial collaboration.

Owing to the profound global applications in understanding life and eliminating misconceptions, the influx of knowledge needs categorization. When combined with humanities a higher level of knowledge is attained where the aspect of humanity is not withered away in the unidirectional enthusiasm.

About Conference :

The two days conference is based on Science, Social Sciences, Humanities and Management. All of these also share the common goals for the betterment of mankind. Therefore, it becomes important to be updated time to time with innovations and trends of research in these areas. The International Conference will fulfill the knowledge gap generated between the students, teachers and scientists working in these areas. The Conference will bring together academicians, Industrialist, teachers/students and Scientist from all over the world.

We hope that you will seize this golden opportunity to join this academic congregation to exchange and explore the new and emerging trends in these areas.
