A Spiritual Leader, Visionary Figure Acharya Swami Ganeshdasji Maharaj, Founder of Sadhubella Education Society, believed that "The Need of time is to nourish the students for all round personality development much beyond academic excellence." The weaker female section neglected by society since centuries touched the kind heart of our beloved Swami Ganeshdasji Maharaj. He started education specially for girls which flourished from bottom to top. Our college is the only girls college in Mumbai suburban areas affiliated to University of Mumbai. This step of the Swamiji was not only appreciated but supported from International level.

Due to globalization and active participation of women in every field, our college came forward to start professional courses i.e. Bachelor of Management studies, B.Com. The students have proved themselves in academic field, sports & cultural activities. The faculties of the college strive hard for development of the students and are great support to them.
