About College:-

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of

Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

Introduction of Business

Having been motivated to become an entrepreneur, the next natural question one may now naturally ask is: What next? The potential entrepreneur would become an entrepreneur only when he owns an enterprise. One who does not own an enterprise cannot be termed as an entrepreneur. The business enterprise to be set up can be a manufacturing venture, a trading firm or a service establishment. The steps in setting up a small enterprise are described below.

Before starting an entrepreneurship, the most important thing that needs to be finalized is what kind of business is on focus here.

Franchising

Franchising is the practice of using another firm's successful business model. The word franchise is of Anglo-French derivation - from France - meaning free, and is used both as a noun and as a transitive verb. For the franchisor, the franchise is an alternative to building chain stores to distribute goods that minimize the investment and liability of

The Franchisor's Success depends on the Success of the franchisees. The franchisee is said to have a greater incentive than a direct employee because he or she has a direct stake in the business. Essentially, and in terms of distribution, the Franchisor is a Supplier who allows an operator, or a franchise, to use the Supplier's trademark and distribute the Supplier's goods. In return, the operator pays the Supplier a Fee.

Sole Proprietorship

A Sole Proprietorship is the oldest and the most common form of business. It is a one-man organisation where a single individual owns, manages and controls the business. Its main features are:

→ Ease of formation is its most important feature because it is not required to go through elaborate legal formalities. No agreement is to be made and registration of the firm is

PRINCIPAL

J. Watumull Sadhubella Girls College
Ulhasnagar-421 001

not essential. However, the owner may be required to obtain a license specific to the line of business from the local administration.

→ The capital required by the organisation is supplied wholly by the owner himself and he depends largely on his own savings

- Owner has a complete control over all the aspects of his business and it is he who takes all the decision though he may engage the service of a few others to carry out the day-to-day activities.
- Owner alone enjoys the benefits or profits of the business and he alone bears the losses. The firm has no legal existence separate from its owner. The liability of the proprietor is unlimited i.e. it extends beyond the capital invested in the firm.
- Lack of Continuity i.e. the existence of a sole proprietorship business is depends on the life of the proprietor and illness, death etc. of the owner brings an end to the business. The continuity of business operation is therefore uncertain.

→ Advantages

- Ease of formation
- Maximum incentive for work
- ~~Security~~ Security of business

PRINCIPAL
 Quick decisions and Flexibility of operation

Hence, This form of organisation is suitable for the business which involve moderate risk.

TRUST**

DATE: 4th July, 2016 onwards

About College:-

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis

with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out may more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

About College:-

J.Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to

take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

About College:-

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

About Course:-

The Tech Mahindra Foundation SMART programme began in 2012 with 3 centers and trained 1,000 youth in the first year. Today, the Foundation supports 80 SMART Centers across 12 cities of India, training more than 17,000 youth annually and successfully plugging the demand and supply gap in multiple manufacturing and service industries. 50% of the beneficiaries are women and 10% are young people with disability. The SMART training Programme is NSDC Certified and rigorous in processes. It follows a well-defined curriculum that is aligned to the QPs (Qualification Packs) and NOS (National Occupational Standards) as laid down by different Sector Skills Councils.

Skill Development Activity aims to develop personality and overall conduct of the students so that they can overcome their difficulties such as, nervousness, fluency in language, lack of confidence etc. The main focus of this activity is to build self confidence of the students and to encourage them to participate in public speaking. As these soft skills are very helpful in career building for the students.

About College:-

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central suburban area which includes Thane, Kalyan, Ulhasnagar, Ambarnath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis

with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

About College:-

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out may more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

About College:-

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.
