REPORT OF GROUP DISCUSSION ON BUDGET-2016

Date: 29th Feb. 2016

Time: 8.a.m.

Sadhubella Education Society's J.W. Sadhubella Girls College, Department of Commerce conducted Group Discussion on Budget -2016 under the banner of Economics Association on 29th February 2016 at 8 a.m. in Room No.1. Discussion was organised for all the students of the college.

The topic was rather controversial and had economic importance. Government budget is used to prevent business fluctuations of inflation or deflation to achieve the objective of economic stability. The government aims to control the different phases of business fluctuations through its budgetary policy.

A Governments' budget is a year-long country's financial report explaining item-wise calculations of future revenue and expenditure. The budget explains what the income and expense of a nation is.

In India, every beginning of a year, the government presents its budget in front of the Lok Sabha explaining an estimated receipt and expense for the upcoming financial year. The fiscal year starts from 1st April and concludes on 31st March of the next year.

The government prepares an expenditure according to its objective and then starts gathering the resources and funds to fulfil the proposed investment. The funds are collected from fees, taxes, interest on loans given to states, fines, and dividends by public sector enterprises.

Principal

J. Watumull Sadhubella Girls College

Ulhasnagar - 421 001

In the group discussion student participated actively and discussed about the contains of the budget and effects of the budget. The very purpose was to enable students a clear understanding of the budget and to know the components of the budget in detail.

T. Y. BCOM and M. COM students participated in Group Discussion on Budget- 2016

Total four groups of three students were participated in the discussion. All the students of the college enjoyed the discussion a lot. Students from audience also participated in the discussion.

The group discussion was ended with vote of thanks and national anthem.

REPORT ON "ONE-DAY INDUSTRIAL VISIT"

Date:07/03/2019

Venue: Go Cheese Factory

Objective: To learn the production process of cheese from milk diary to cheese factory.

One day industrial visit was organised on 7th March,2019 by the BMS & BBI Department. Co-ordinator Prof. Ms. SmitaChawak, for BMS &BBI Department students under the guidance of Prof. PranjalKarkhanis, Prof. Sophy Mathew, Prof. Deepa and Prof. Sharmila Karve industrial visit to GO CHEESE FACTORY at Pune, (Manchar amidst Maharashtra's western hills and parag milk diary/food.)

In month of march, we got opportunity of visiting GO CHEESE FACTORY, a good 2hour drive from pune operated from manchar amidst Maharashtra's western hills. This is home diarym farm and cheese factory owned by the one of the pioneers of dairy products in India, Parag milk foods. The brand like Gowardhan, pride of cows and Go Cheese.

The itinerary included to visit the home-grown dairy farm, cheese factory and understand behind the scenes of the manufacturing of the delicious milk products. We started with the Bhagyalaxmi Dairy Farm visit owned by the company where around 3500 and more cows from their birth to handling over to farmers (once their milk production reduces) including sanitation, nutrition, and survival. Thing which intrigued me was the automation at the farm to reduce contamination and avoid spread of communicable aliments. Even the rotary belt used to milch cows is fully automated and at a time can milch up to 35cows. We also tasted the fresh milk that gets packaged in bottles of pride of cows to be delivered at various

locations across and has been recognised as the best packaged milk. Now was the time for cheese factory visit. Started with the dressing for the tour, we were given briefing of the various types of cheese produced and the uses followed by the showcase of various procedures of the manufacturing and packaging.

Most of the process is same except for the time required for ripening of the cheese for different kinds. Mozzarella takes 2-10 days to ripe with extreme cold temperature, cheddar might take quarter to half an year. Post the visit, we were offered the milk and cheese manufactured at the factory. There were varieties of pizza, different flavours, cheese cubes, nachos, cream, etc. made with milk.

So, the amazing experience came to an interesting interactive session with the factory team followed by cheese tasting session. And we did get enough time to "SAY CHEESE".

Report on one day State Level Workshop for students of B.Com, M.com and Self Finance Courses on Research Methods, Human Resource, GST and Digital Banking organized by Commerce Department in Association with IQAC on 2nd April 2018.

REPORT ON RESEARCH METHODS:-

J.W.Sadhubella Girls College, Ulhasnagar organized, one day State Level Workshop for students of B.Com, M.Com and self financing courses (BMS &BBI). For this seminar Dr. S.N.Waghule was invited as resource person from Anandrao Dhonde Alias Babaji, Arts, Commerce and Science College, Kada, Tal – Ashti, Dist. Beed, Maharashtra, on 2nd April, 2018, at 10:00 am, in room no. 01. The resource person was introduced by Mrs. Sharmila Karve. Dr. Vasant P. Mali felicitated then he focused on the information about Research Methods.

Topics Covered On Research Methods Are As Follows :

Research methods are the strategies, processes or techniques utilized in the collection of data or evidence for analysis in order to uncover new information or create better understanding of a topic. There are different types of research methods which use different tools for data collection. Then he gave explanation on Qualitative Research. Qualitative Research gathers data about lived experiences, emotions or behaviours, and the meanings individuals attach to them. It assists in enabling researchers to gain a better understanding of complex concepts, social interactions or cultural phenomena. This type of research is useful in the exploration of how or why things have occurred, interpreting events and describing actions. He also explained about the, Qualitative research is a market research method that focuses on obtaining data through open-ended and conversational communication. This method is not only about “what” people think but also “why” they think so and also covered topics like; Hypothesis and interpretation of data and how it is useful in research projects and studies.

Ms. Anagha Kotekar gave vote of thanks to Dr. S.N. Waghule for providing lot of knowledge on Research Methods, the topics which he covered was very helpful to our students for making the University Projects for future purpose.

Dr. S.N.Waghule was invited as resource person for Research Methods on 2nd April, 2018

REPORT-ON HRM

For the workshop on “Human Resource” by Dr. Zinurde, from New Arts , Commerce and Science college Ahmednagar on 2nd April, 2018. At 3.00 PM in room no 01. Especially for the students of B.Com, M.Com and self-financing courses. The resource person was introduced by Mrs. Smita D Chawak. Ms. Neetu Puraswani HOD of Commerce felicitated to the resource person.. Then Dr. Zinurde informed about the importance of “Human Resource”

Topics covered on HRM are as follows:

- a) Introduction of Human resource.
- b) Importance HRM.
- c) Methods of HRM..
- d) Why HRM is important in organization.

Session was proceeded with the counselling session reflecting the importance of HRM in corporate and globally. He shared vast knowledge about the HRM sector and making offices HRM efficiently . After the session, He also mentioned that the use of HRM is leading us

towards Global Development. He mentioned the various types of appraisal systems, recruitment patterns and interview system to operate efficiently.

Finally the session ended with vote of thanks given by Mrs. Sharmila Karve.

Participants attending Workshop on Human Resource Management On 2nd April, 2018

REPORT-ON GST

Sadhubella Education Society's J.W. Sadhubella Girls College, Commerce Department in association with IQAC organized workshop on GST on 2nd April, 2018. The main aim of conducting this work shop was to create general awareness regarding GST (Goods & Service Tax). On this occasion college invited CA Mukesh Haseja as resource person. Ms. Hitika Makhijani welcome our speaker and give brief information about his achievements. Then Our Principal Dr. Vasant Mali felicitated to the resource person.

Topics covered on GST are as follows:

Our speaker CA Mukesh Haseja stated in his speech that "GST aims at to replace all indirect levied on goods and services by the Indian Central and State Governments. GST would subsume with a single comprehensive tax, bringing it all under a single umbrella, eliminating the adverse effects of taxes on the production and the distribution prices of goods and services. Imposing several taxes on goods and services can lead to high cost and inefficient tax structure which can subject to shirking and revenue disclosures. The need for GST in Indian Taxation System will add value at each stage and will set off the rates both at state and at central level. Introducing GST, will increase the efficiency of taxation, improves the economic growth and it will bring whole nation to one national market. Our present taxation system is very complex and very confusing, corruption chance is there, which leads to distrust of government, there are hidden tax for exports, whereas no charge applicable on Importing of Goods/Services from one state to another. Just to overcome these issues, Rajya Sabha introduced GST bill, which will bring transparency to taxation and consumer will get to know how much tax amount they are paying to government for sale/ purchase/ manufacturing.

Tax Structure will be Simple: – At present, there are huge number of taxes that has to pay by consumers, with GST it will single tax to pay, which is much easier to understand. For businesses, accounting complexities will reduce and results less paperwork, which will save both time and money.

Tax revenue will increase: Simple tax structure will bring more tax payers and in return it will be revenue for government.

Boost to exports: If Indian market will be competitive in pricing, then more and more foreign players will try to enter the market, which results in more numbers of exporters and benefits to Indian Market.

At the end of the session Asst. Prof. Ms. Hitika Makhijani delivered vote of thanks. There were 77 participants attended this workshop.

REPORT ON DIGITAL BANKING

Workshop of Digital Banking was organized at 3 p.m in J.W.Sadhubella Girls College in room No.1. CA Shripad. R. Vaidya who is a consulting Director from Oracle and a Bestseller Faculty of Udemey Inc Online training platform, USA, was invited as resource person for this workshop. Introduction of the resource person was given by Mrs. Smita Chawak and Principal Dr. Vasant P.Mali felicitated the guest.

Topics covered on GST are as follows:

Moving from traditional banking to new-gen banking. This workshop covered of prior period of 1980s, when tradition banks were moving to digital banking and why there was a need to become comprehensively digital banking.

- Proliferation of internet banking, mobile banking and “direct banking or mobile-only banking or internet-only banking” concept.
- Use of social media in banking and arrivals of fintech- firms. This workshop gave examples of what multiple banks were doing in social media to connect with customers such as Facebook, Twitter, You tube and other channels.
- This workshop covered innovative technologies such as artificial intelligence, Internet of Things (IOT), machine learning, block-chain, big data ,etc. This workshop highlights new fancy innovations in the technology space.
- This workshop covered illustrative “CIO Wishlist” to complement or enable comprehensive digital bank. This workshop gave examples of various technology projects done by CIOs at the front- office, middle-office and back-office to enable comprehensive coverage of digital banking.

77 participants were attended this workshop and could overview of how global banks are transforming their banking from traditional to high digital environment.

CA Shripad. R. Vaidya was Invited as Resource person for digital Banking on 02-04-2018

Vote of Thanks was given by Mrs. Smita Chawak.

All the participant were pleased because workshop has relevance to their syllabus and need of the modern business world. Research Methodology has become an integral part of studies it provides procedures for collecting and analyzing data. Human Resource in all the sphere of life, whether social or organisational is playing a significant role. Participants obtained knowledge about GST which was beneficial and fruitful. Digitalization of Banking fascinated students to the higher extent, they obtained knowledge regarding the use of computer technology in banking system.

After this workshop validatory function was conducted under the chairmanship of CA Shripad R. Vaidya.

Miss Neetu C. Purswani and Dr. Dattatray Kalbande Expressed their views on relevant topics and enlightened participants. Dr. Vasant P. Mali, Principal of the college, encouraged the participants and all the staff members to organise such workshop and thanked to all.

REPORT OF "RESEARCH PAPER PRESENTATION"

Date: 23/12/2015

Prof. In Charge:

Prof. Sharmila Karve

On 23rd December, 2015, economics association organized a competition of "Research Paper Presentation" on the board theme "Reforms in Banking Sector". The very aim was to inculcate the hobby of research and surveys in the students so that they develop scientific inquisitiveness and logical thinking. Before the competitions the students were explained the techniques of writing the research paper. More than 12 participants took part in it from all i.e., B.COM, BMS, BBI and M.COM. Dr. Awinash Shendre was the resource person called for judging the competition. The students presented papers both primary as well as secondary data related on the broad theme and other themes like banking sector, L.P.G, second generation reforms, new and sophisticated technology in banking, E- banking etc. Three papers were selected as best research paper by honourable judge. Dr. Awinash Shendre also sensitized the audience about the utility of research and surveys at macro levels and thrown light on the methods of writing a good research paper.
