**About College:-**

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar. This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

### About Seminar:-

**About College:-**

J.Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of

Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

**About College:-**

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central suburban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

**About the Workshop:**

Financial literacy plays a very important role to achieve economic development in the nation. In India, financial literacy has still not become a priority like other developed countries. Due to lack of knowledge the rate of capital formation is very less. To increase awareness of financial education this seminar is organize for the students as well as teachers. This may lead to more savings and investments which provides more benefits as experts of SEBI(Security Exchange Board of India) provides the guidelines to the students.

IN COLLABORATION WITH NAZ FOUNDATION (INDIA)  
TRUST**

DATE: 4<sup>th</sup> July, 2016 onwards

**About College:-**

J Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis

with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out may more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

It also aims to sensitize the community to the prevalence of HIV as well as highlight issues related to sexuality Health.

**Goal: Reaching New Heights (Goal)**

It is a women's empowerment program which uses sport and life skill education to transform the lives of young disadvantaged girls and young women. The program empowers adolescent girls living in urban settings for personal social and economic development in Delhi, Mumbai and Chennai.

Goal is a multi-stakeholder partnership that involves both international and grassroots organization- each of which utilizes its core skill to undertake aspects of the program. In India, Naz Foundation India Trust is the main implementing partner, coordinating and delivering the program.

Goal began as a pilot in India in 2006 with just 69 girls in Delhi, and has currently reached over 25,000 girls in Delhi, Mumbai and Chennai touched nearly 1,00,000 families and community members across these three cities. We hope to reach 30,000 girls by 2016. Goal covers four core content areas – communication, health and hygiene, rights, and financial literacy – that are delivered along with sport training.

At the heart of Goal is the desire to change girls' opinions of themselves and their role in the world. By bolstering girls' self-confidence, improving their knowledge of key health and social issues, and by offering them a safe place to learn, play, and grow, Goal is making the world of difference to the lives of girls.

In Mumbai, Goal is presently being rolled out in 15 locations, Asha Sadan Dongri, Globe Mills Schools Elphinstone Road, and Abhinav Gyan Mandir School, Trombay Public High School and Matoshree Vidya Mandir in Mankhurd, Marwadi High School MSPT and VBM School in Grant Road and Balika School at Matunga and Maratha School at Worli and Shirodkar School in Parel. **About College:-**

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

## **About Course:-**

The Tech Mahindra Foundation SMART programme began in 2012 with 3 centers and trained 1,000 youth in the first year. Today, the Foundation supports 80 SMART Centers across 12 cities of India, training more than 17,000 youth annually and successfully plugging the demand and supply gap in multiple manufacturing and service industries. 50% of the beneficiaries are women and 10% are young people with disability. The SMART training Programme is NSDC Certified and rigorous in processes. It follows a well-defined curriculum that is aligned to the QPs (Qualification Packs) and NOS (National Occupational Standards) as laid down by different Sector Skills Councils.

Skill Development Activity aims to develop personality and overall conduct of the students so that they can overcome their difficulties such as, nervousness, fluency in language, lack of confidence etc. The main focus of this activity is to build self confidence of the students and to encourage them to participate in public speaking. As these soft skills are very helpful in career building for the students.

DATE: 12-02-2018 & 17-02-2018

**About College:-**

J.Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out may more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short

span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

DATE: 30<sup>th</sup> August, 2018 onwards

**About College:-**

J.Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central suburban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

**About Workshop:-**

Skill development starts with identifying future job prospects and segmentation of it according to need and feasibility of training candidates. Skill development has been considered one of the critical aspects of entrepreneurship concept. To develop the various skills among the students and thereby flourish their career our college organizes a seminar on skill development in coordination with Pidilite Industries, Mumbai. The experts will provide knowledge and various skills with their Fevicyl products. Students can produce products with their creativity and can sell the products.

IN COLLABORATION WITH NAZ FOUNDATION (INDIA)  
TRUST**

DATE: 13<sup>th</sup> March, 2019 onwards

**About College:-**

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central suburban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis

with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out may more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

**About College:-**

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central suburban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to

take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

DATE: 27-08-2019

**About College:-**

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central suburban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

**About The Workshop:**

Our College is a girls college so there is a necessity to develop the career with different skills which should provide the earning source to the girls. So our college organizes different seminars workshops to enhance their skills and make students self sufficient and self reliance. This workshop is organized for use of Tally for accounting purpose. As compared to the traditional accounting system Tally software is very easy and useful for organisations.

Inventory operations and processes related to Taxes, GST, and other calculations are easy using **Tally accounting software**. **Tally accounting software** has been used effectively to meet the daily financial activities of the enterprise. Additionally, it has made working easier and compressive to work upon it. Students can start Accounts writing practices and develop their entrepreneurship. Objective of this workshop is to make students financially independent.

**About College:-**

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar.

This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambernath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out many more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.

## **About Workshop:-**

Skill development starts with identifying future job prospects and segmentation of it according to need and feasibility of training candidates. DATE: 14<sup>th</sup> November, 2019 onwards

**About College:-**

J. Watumull Sadhubella Girls College started its pious journey with the blessings of Acharya Swami Ganeshdashji Maharaj, the founder of Sadhubella Education Society. He believes that "The need of the time is to nourish the students for all-round personality development much beyond academic excellence. The weaker female section neglected by the Indian Society since centuries touched the kind heart of Swamiji and inspired him to start the educational institute exclusively for girls on a piece of land measuring 02 Acres in the congested city of Ulhasnagar. This college made a humble beginning in the academic year 1994 with only 38 students, a single department. It is the only girl's college in the Mumbai Central sub-urban area which includes Thane, Kalyan, Ulhasnagar, Ambarnath, Dombivali, Bhivandi, Murbad and Shahapur talukas. Though initially it was on non grant basis, since 1998-99 B.Com programme came under Grant-in-Aid.

The College was accredited in 2003-04 by NAAC and was awarded C++ Grade. Due to globalization and active participation of women in every field, a new professional course- Bachelor of Management Studies (BMS) was introduced in the academic year 2004-05 and subsequently another course- Bachelor of Commerce in Banking and Insurance (BCBI) was introduced in 2006-07. Both courses are on non-grant basis with a maximum intake of 60 students each. As large number of students intends to take admission for PG course in commerce in 2011-12 M.Com (Accountancy) programme was started.

The faculties of the College strive hard for the overall development of the students and make them better human beings to face the challenges of the Life. This institution expects all types of support and encouragement from every corner of the Society to fulfill the dreams of Swamiji to bring the College on global arena. We are in the process for carrying out may more upgrades, which will be done in a phased manner to benefit the College. The Society has made considerable developments in a short span of time, because of support from staff, parents, students and citizens of Ulhasnagar.
