To,
The Principal,

Subject: UPSC (Civil services) Competitive examinations Awareness campaign and entrance examination to select students for free coaching.

Dear Sir / Madam,

Shiv Vidya Prabodhini has been providing free one year integrated UPSC (Civil Services- IAS/IPS/IFS/IRS) coaching to 1000 students from entire Maharashtra after conducting state level tests and also arranging free mock Interviews for students who clear UPSC (Civil Services)Mains.

It has been observed that the students from Maharashtra do not fare well because of lack of culture and awareness about the career opportunities in civil services. Our intention is to groom the students from Maharashtra for competitive examinations, mainly the civil service examinations like IAS, IPS, IFS and IRS etc.

We propose to conduct one hour free awareness seminar and student interaction for doubt clarification to student's satisfaction in your prestigious college. We also propose to arrange Entrance test with an Exam fees of Rs.125 out of which, Rs.100 would be our fees and Rs.25 would be given to the college. The entrance test will help students get acquainted with syllabus, exam type, basic requirements and we would select students purely on merit who will be provided guidance and full support, free of cost for one complete year. The students can also enrol online for the entrance test on our website www.svpias.com.

If the students' response is very good and you are willing we can start a competitive examination centre/cell at your college in coalition, with our academic/faculty responsibility.

We do, hereby request you to guide and help us to reach to maximum students of your esteemed college.

Thanking You.

Yours sincerely,

Vijay Kadam

We are group of passionate people from the the TOP MBA college like IIT-Bombay /JBIMS/G.I.M & Symbioses. We have been nurturing students for the entrance exam like CET/ CMAT/ TISS/ SNAP/ATMA. We train our students to qualify the entrance exam and mentor them to secure best placement in corporate world. We have also been responsible of creating 2 leading Test-Prep in India. Looking towards the need of the students we have customised our program to cater services to all set of students.

Back ground research:-

In Indian context- the education pattern revolves around students choosing either Science - Commerce or Arts options after standard 10th and very seldom are governed by rules of Psycho metrics that captures the Aptitude - interest & Skill elements in a student. Lack of counselling, mentoring and guidance are hallmarks of most graduating students in India. In an attempt to be successful -it is imperative that students follow their passion - it is critical that there is a proper mapping of what students want to do and what they actually do - the skills base & interest levels the students possess

Dear Sir / Madam,

Subject: BFSI Training with Placement Assistance at Zero Cost

Greetings from Kotak Education Foundation (KEF)!

It is a pleasure for us to be writing to you. KEF is a 12 year old foundation active in Mumbai and is associated with **Kotak Mahindra Bank's CSR initiative**. KEF has various interventions through which it has been making a tangible difference in the lives of people from the economically backward sections of society. Our mission is to have a sustainable process to support youth from underprivileged families with training interventions so as to empower them to be employable and rise higher to lead a life with dignity.

Kotak Unnati is one of the community based interventions of KEF. It is a livelihood program to train and mentor Indian youth in the age group of 18-25 years. Over the last 12 years, we have trained more than 10,000 young Indians and have placed them in various organized sector jobs across industries.

Kotak Unnati has initiated for BFSI skill development a program in Mumbai. Details are as follows:

- A 2-month program for TY students and Graduates which is zero cost for the participants and provides a dual certification (KEF & NIIT).
- The program includes BFSI domain, Personality Development, IT and English speaking training to equip the youth with the necessary professional and other relevant skills required.
- 100% placement assistance by KEF to all eligible participants to secure a job and embark on a sustainable livelihood journey (subject to completion of their graduation).
- This program is for TY students and Graduates in the age group of 20 to 25 years with a monthly family income up to Rs.10,000/- (or per capita monthly income of Rs. 2500/-).
