**Report on Blood Donation Camp**

NSS Unit of our college arranged Blood Donation Camp in collaboration with J.J Mahanagar Raktapedhi Blood Bank on 7th September, 2015 at college premises. It was organised with the intention of creating awareness on why we need to donate blood and how it could be helpful for people who are in need. Around 23 units of blood were collected. It is needed for regular transfusions for people with conditions such as thalassaemia and sickle cell disease and is used to make products such as clotting factors for people with haemophilia. There is a constant need for regular blood supply because blood can be stored for only a limited time before use. Regular blood donations by a sufficient number of healthy people are needed to ensure that safe blood will be available whenever and wherever it is needed. A decision to donate your blood can save a life, or even several if your blood is separated into its components — red cells, platelets and plasma — which can be used individually for patients with specific conditions. Along with blood donation camp we even took up activities on blood donation awareness.

### Report on Street play on Road Safety

NSS Unit of our college organized Street Play on Road Safety on 05th October, 2015. The reason to conduct such street play was to inculcate the sense of following road rules whenever we drive vehicle on road. They created awareness of the need to obey traffic rules so as to make roads safer against the backdrop of the growing number of accidents. The idea was to get youth involved as they are also the target audience for the programme. Also, it's easier to orient students who are already involved in social service through NSS. Using the banners prepared by volunteers, they enacted a street play at Ulhasnagar and Nehru Chowk, so that people could be aware about the Road etiquettes every citizen should follow. In all 19 students took participated in the Street Play at both the places on same day.

**Report on AIDS awareness Programme**

NSS Unit of our College conducted AIDS awareness Programme in Titwala, Mahral and Ulhasnagar station on 1<sup>st</sup> December, 2015. Thousands of people are infected and children are being orphaned because of HIV/AIDS. Not everyone knows the impact AIDS has in every community and every business or organisation. The awareness was conducted amongst the public so that every people could understand how AIDS can spread, its prevention, its treatment etc. HIV/AIDS Awareness programmes help people become aware of the levels of care and treatment, whether they are living with HIV or if caring for someone with this disease. Students created banners on AIDS so that it could be easier to explain the public about the disease, its precautions and also treatment provided by hospitals and also by government. Volunteers spread the awareness at 3 different places, in which 7 volunteers went Mahral, 5 volunteers at Titwala and 9 volunteers at Ulhasnagar station. All volunteers reached the respective spots at 10:00 am and gave their best to explain maximum crowd about AIDS.

**Report on Swachh Bharat Activity**

NSS Unit of our college conducted Swachh Bharat Abhiyan Activity at Shahad Station on 8<sup>th</sup> August 2016 it was conducted in collaboration with Municipal Corporation of Ulhasnagar. This step was taken to aware all the public about our Prime Ministers initiative of keeping our country clean and healthy. Mahatma Gandhi rightly said, "Sanitation is more important than independence". Swachh Bharat Abhiyan was launched by the Government of India to solve the problems of sanitation and waste management in India by ensuring hygiene across the country. the role of students is most vital in this effort to create a cleaner India. When said this, the students can start this at their homes by educating their parents about it. Whenever you are travelling on roads, railways etc atleast try to make sure that your family does not throw the waste in public places. Besides, students can organize cleanliness/awareness drive in their locality by urging the neighbours to use public waste disposal systems or generate funds to create/maintain a waste disposal location in their locality. Students can very well help in maintaining such locations.

**Report on Blood Donation Camp**

NSS Unit of our college in collaboration with Central Hospital conducted Blood Donation Camp on 3rd September 2016 from 10:00 am to 2:00 pm in the college premises. Human blood is an essential element of human life with no substitute. In many major surgeries and trauma emergencies the use of whole blood is now well accepted. Blood transfusion has been responsible for saving millions of lives each year around the world. Yet the quantity and quality of blood pool available for transfusion is still a major concern across the globe, especially in the developing countries. The purpose of blood donation camp to select a suitable donor whose blood will be safe to the recipient and who himself shall not in any way be harmed by blood donation. Blood donation camp should motivate the public to donate blood by oral communication, which is the most effective method of recruiting donors. 22 units of blood were collected through the Camp.

**Report on Plastic Ban Rally**

NSS Unit of our college along in collaboration with the Municipal corporation of Ulhasnagar organised a rally on 'Plastic Ban'. The rally was conducted on 28th August 2018, in which 30 students of our college participated. Students prepared banners and slogans to spread awareness among the people to stop using Plastics as it is harmful to the environment. Volunteers also made few people aware that plastic should be banned and instead cotton bags should be used. It is evident that it takes years to completely destroy a piece of plastic. We see tanks, roads and dustbins choked with plastic causing problems for our future generations. If we create more awareness of the concept of source segregation and provide alternatives to plastic bags, straws and plates (single use plastic), we can do our part in saving the earth.

Blood donation camp was organized by NSS Unit on 02<sup>nd</sup> March, 2019 at Central Hospital for which 25 students were willing to donate blood but out of which only 5 volunteers could donate their blood. We had a teaching staff and an ex-student of our college to donate blood. All the required tests were taken duly before donating blood and refreshments were provided after the donation of blood. The Hospital certified our volunteers with donor card and a blood donation initiative certificate was also provided to the college. There is a constant need for regular blood supply because blood can be stored for only a limited time before use. Regular blood donations by a sufficient number of healthy people are needed to ensure that safe blood will be available whenever and wherever it is needed.

### REPORT ON RALLY ON VOTER AWARENESS

NSS Unit of our college had arranged a rally on 'Voters Awareness' on 07<sup>th</sup> October, 2019. The rally was carried out in the morning at 10:00 am, before the rally, our Principal Sir, Dr. Vasant P. Mali shared his views and thoughts on Importance of voting with our students. The rally was taken with an intention to create awareness amongst the public on the importance of Voting. Children created banners portraying different quotes on Voting Rights. Few of the quotes of voting which students prepared was 'Vote, because you must', 'Vote, and use your power', 'Your Vote, Your Right' and few of the banners were also in Marathi like 'Nirbhay houn Matdan kara – Deshacha sanmankara', 'Chodkar saare kaam- Chalo kare Matdan' etc.. 32 students took part in the rally actively encouraging the public to Vote as it is our rights, students even personally spoke to few people explaining why voting is so necessary and what are the losses we could face if we do not vote. Making people aware that the decision of our country's ruling parties depends on every single vote given, as one single vote can also change the whole decision of the one who could be the ruling party. Voting is the way to express their opinions in a democratic nation.

While interacting, many people instantly replied that they would be voting during elections, but there were few who didn't even have a Voting ID Card, to them our students explained the procedure of getting the ID Card ready before the elections.

### CLOTH DONATION

NSS Department of J.W.Sadhubella Girls College on 14<sup>th</sup> October, 2019 had donated some clothes to the orphanage children of Navjeevan which is at Kalyan West at 10:00 am. Navjeevan is a project undertaken for underprivileged women and children from red light areas. Since 25 years they have been making huge impact on society by empowering the women and their children in helping them to build their own lives and their future. The clothes donated were collected from college students who were willing to contribute for the children of Navjeevan. Even teachers of the college contributed for the same. Around 4 sacks of clothes were contributed to the children for all aged groups. The sacks of clothes were handed over to the Head Clerk of the orphanage who is Mrs. Usha Thampy. She explained our volunteers how the orphanage function, what facilities are provided to them, what norms they follow and how they manage the funds. She said that the children of the orphanage are provided with education up to graduation and also they help them with job placements in different organizations. The main objective of donating clothes was to maximum utilize the spared clothes that are leftover in our cupboard and to provide it to the ones who are in need. 4 students accompanied teachers for cloth distribution.
