Report on Orientation Programme

Department of Commerce organized Orientation Programme for the first-year students of all the courses on 5th September 2020 at 10.00am through Zoom Platform.

Student Orientation Programme plays an important role in a learner transition to a college life. Orientation is designed to answer the questions before they are asked and to provide the solutions before, they occur. The main objective of the programme was to make the students aware of the academic aspects of the course, the rules and regulations of the college and ensuring parental participation in monitoring the performance and progress of the students.

During orientation programme every departmental head narrated the curriculum and co-curriculum practices that is followed by the college along with skill development programme. Every committee in charge gave briefing about the activities and programmes that are conducted, so that students can get involved and encourage to participate for the same.

Students were also informed about code of conduct to be followed by them prescribed by the monitoring committee. The programme ended with vote of thanks by the TY BCom students to one and all.
