

Best Practice- I

Title:

Department of commerce in association with NISM and Kotak securities organised online 5 days “Financial Education Program” from 7th February to 12th February 2022 from 11:00 am to 1:00 pm

Objectives:

- Creating awareness and capacity building of personal finance framework, Pre requisites and risk involved while investing in securities.
- Awareness of employment and self-employment opportunities in financial service industries.

Content of the programme:

- Importance of financial investment education objectives, concepts, savings, career opportunities
- Investment in Primary and Secondary market mutual funds

The Practice:

Above all Contents (from point 3) were observed respectively on each of five days of the program.

Evidence of success:

College received special certificate of appreciation from NISM and Kotak Securities for Best participation in Financial Education Program

Challenges:

As the program was online network issue was the main problem while conducting sessions of the program

Best Practice- 2

Title : Programmes on Environment Awareness

Objectives:

- To Aware Environment Related Issues.
- To Save Water and Environment.
- To create awareness about Ozon.

Content of the programme.

1. Celebration of Various National and international Environment Days.
2. Organize Guest Lectures or Power Point Presentation on Various Environmental Days.
3. Elaborate Environment related issues and precautions to save the environment.

The Practice:

The College Celebrate every environment related days like World Environment Day, World Wild life Day, World Ozon Day etc with organizing various Guest Lectures and well as Power Point Presentations.

Evidence of success:

In the feedback form, students gave positive review about the session and also demanded for more such programs.

Challenges:

As this is Commerce College and all students are not much more aware about science related Terms. So, explanations of such terms in scientific Way a little bit challenging
